Inclusive Physical Education Around the World

Origins, Cultures, Practices

Edited by **Sandra Heck**, University of Luxembourg, Luxembourg and **Martin E. Block**, University of Virginia, US

Inclusive Physical Education Around the World is the first book to survey inclusive physical education worldwide, to examine the history of inclusive physical education across different regions, and to compare their policy, practice and educational cultures. Thisis essential reading for anybody with an interest in physical education, disability sport, adapted physical activity, special educational needs (SEN) teaching, or social justice in education. It is a vital resource for postgraduates, researchers and academics who are interested in studies on inclusion and heterogeneity, as well as sport and cultural historians, physical education teachers and students.
